SUMMER EDITION 2015

HARRINGTON GROVE

THE MAGIC OF CHRISTMAS IN THE GROVE

Harrington Grove truly came alive with the magic of Christmas! Residents were treated to a host of Christmas events including the Christmas Craft session, the Residents' Christmas Party and even a visit from Santa himself.

Harrington Grove's youngest residents kicked off the festivities with the Christmas Craft session, which saw them produce a host of creative artifacts with Christmas flair. Their pieces of art could be seen in homes right throughout Harrington Grove as proud parents put them on display.

The Harrington Grove Country Club was in full festive swing for the Residents' Christmas Party, where residents shared a fabulous meal beneath the shade of a marquee in each other's company. Children were enthralled by the climbing jungle gym, the Fire N Ice water slide and a visit from Santa Claus! With faces that were painted by Santa's elf, they went on to have family photos with Santa to ensure it was a day they would always remember.

The final part of the Christmas celebrations was Santa's visit to the Grove. Along with his trusty helpers, he rode all around Harrington Grove on his sleigh to spread his cheerfulness and goodwill to residents everywhere. Children and their parents came out to the sound of Santa's bell to be a part of the Christmas spirit.

RESIDENTS' PRIDE

Residents all across Harrington Grove are singing the praises of the new Magnolia Club as a fabulous addition to the suite of Harrington Grove facilities.

The neighbourhood centre, located on the corner of Wingham Avenue and Forestgrove Drive, is another destination for Harrington Grove residents. Inside residents will find large communal seating areas, a kitchen, the Alfresco Room, and fireplaces to set the tone for the cooler months. Meanwhile, the outdoor facilities include a swimming pool with spa seats and swim jets, a tennis court, barbecues and picnic areas. The planned children's playground will truly complete the Magnolia Club.

What could be better than spending hot summer days beside the refreshing pool, followed by a casual meal prepared on one of the barbecues and enjoyed at a picnic table? The attraction is not lost in winter either. It's easy to imagine sitting in the comfort of the plush couches in front of the roaring fireplace while the wind and cold rage outside, a cup of tea in hand.

All Harrington Grove residents and their guests are welcome in the Magnolia Club.

A NEW DESTINATION

HARRINGTON GROVE MICHELIA CLUB

It is with great excitement that the Harrington Grove team announces the new Michelia Club, which will be easily accessible to residents in the new western side.

Along with the Harrington Grove Country Club and Magnolia Club, the new Michelia Club will serve all Harrington Grove residents as yet another lifestyle destination.

The Michelia Club will be a stylish and sophisticated addition to Harrington Grove. The broad range of facilities will include a swimming pool, tennis court, children's playground, gazebo picnic tables, barbecues, picnic areas, communal seating areas and a gym. The seamless indoor-outdoor design ensures that the facility will be ideal in all seasons. The broad range of outdoor facilities are perfectly suited for the longer days, while the indoor areas will provide a warm home away from home when the weather is cooler.

The Michelia Club will nurture the lively and active community that is so integral to the Harrington Grove lifestyle. Upon its completion, all residents and their guests will be welcome to enjoy the expansive range of facilities on offer at the Michelia Club.

UPDATE ON THE WEST

People wishing to secure a Laurina homesite are urged to act quickly, with less than 60 lots still available. Sales in the most recent precinct have progressed well, with many buyers commenting on the convenient location, bushland surroundings, Laurina Park and proximity to Macarthur Anglican School. It is also located just 300 metres from the planned Michelia Club.

Residents and locals would also be aware of the host of road upgrades around Harrington Grove. The new roundabout on Cobbitty Road at the entrance to Laurina and Macarthur Anglican School provides residents with a safe and easy entry point to their new homesites, as well as providing better access for those entering the school grounds. Meanwhile the upgrade of Dan Cleary Drive permits better access to the Harrington Grove Country Club and Magnolia Club for residents right across Harrington Grove.

AUSTRALIA DAY

There were well-stocked eskies and countless worn thongs,
Proud Aussie flags and loud national songs.

Residents came out to celebrate the day,
That Captain Arthur Philip sailed into the bay.

In spite of the cold there was happiness all 'round,
A true celebration for the land upon which we abound.

Everybody had one wish, one common goal,
To keep Australia beautiful and nurture her great soul.
