

Harrington Grove

Harrington Estates is pleased to announce the launch of the second precinct of their luxury lifestyle estate Harrington Grove. Due to demand, the new precinct called 'Maculata,' comprising 71 homesites, is being released earlier than planned.

Over 70% of the first precinct 'Araucaria' has already sold and Harrington Estates are keen to continue their efforts to provide a world class subdivision with 'Maculata.'

One of the major attractions for purchasers at Harrington Grove is the spectacular architect designed Country Club with tennis courts, swimming pool and fully equipped gym for exclusive use of the residents. The stunning interior is really something to see with its soaring ceilings, jarrah walls and huge expanses of glass spilling opening out to balconies overlooking beautiful leafy surrounds.

It is also home to the fabulous Jarrahs restaurant and bar which has recently opened. The Country Club is the heart and soul of Harrington Grove, the focal point where residents and their families can meet up with friends and neighbours and relax, interact and enjoy themselves.

Recently Harrington Grove was one of 6 finalists in the Urban Development Institute of Australia NSW Awards for Excellence 2009. In the category of Residential Development Harrington Grove was the recipient of the only award of commendation for a development.

Picturesque natural scenery, large homesites, a fantastic Country Club, over 7km of scenic walks and cycle paths, proximity to schools and shopping, not to mention the latest communications technology all add up to a wonderful lifestyle on offer at Harrington Grove.
