Celebrate Spring at
Harrington Grove

Harrington Grove comes alive for Spring with social and sporting events and activities to keep the whole family active during the warm months ahead. Living a fit and healthy lifestyle at Harrington Grove will be even easier with the introduction of additional health and fitness services soon to be available for residents to enjoy.

We extend a warm welcome to Dianella Precinct's first residents, Wil and Roslyn Hornman. We trust that they will enjoy being part of the vibrant and active community that is Harrington Grove.

A dream comes true at Harrington Grove

Harrington Grove Country Club provided a spectacular backdrop for a fairy-tale wedding for the Club's receptionist, Leanne Bolton. Leanne married her high school sweetheart of eleven years in May this year at St John's Church, Camden and arrived at the Country Club for the reception in true modern day style - in a stretch, white Hummer!

Leanne and Rick met when they were 17, while waiting for a bus after school one day - and the rest as they say, is history. On

Christmas Day in 2010, Rick proposed on a video he had left for Leanne at her parents' home - a wonderful keepsake for the future. 'It was the longest drive to Elderslie I have ever made', said Leanne, who lived in Cobbitty at the time. 'Rick was dressed as Santa Claus when I arrived, and he presented me with a beautiful engagement ring, definitely the best Christmas present that year!'

The Country Club's opulent function room, decorated in shimmering silver and soft blue,

glittered with hundreds of fairy lights. The belle of the evening was definitely Leanne, dressed in a stunning strapless, form fitting, silk gown and train.

The event was attended by Harrington Estates' Director, Mr Terry Goldacre and Finance Manager, Mrs Katharine Taylor, along with 125 family and friends to celebrate Leanne and Rick's wedding day.

Maculata precinct - second release of land available now

An additional number of homesites in the much sought after Maculata precinct are now available and buyer interest is high.

Dianella gets the ultimate recommendation this spring

Spring is certainly a beautiful time of year at Harrington Grove with masses of cherry blossom out in full bloom and trees looking lush and green. As the days get warmer the residents are out riding their bikes, walking dogs and generally enjoying the beautiful scenery and fabulous facilities at Harrington Grove.

One such resident is our very own Kerrie Hall, who has been a Sales Consultant at Harrington Grove for over three years. Having moved into her new Eden Brae home with her husband and three children in early September, the family is enjoying their fabulous new home and are now concentrating on the landscaping.

Precinct Dianella is the fourth precinct released at Harrington Grove and already it is almost sold out. This private peaceful enclave is currently a hive of activity with about 35 homes now under construction.

When Kerrie first came to Australia five years ago from England, she fell in love with the area and the family settled at nearby Harrington Park. They saw Harrington Grove as a wonderful opportunity for the family to build a home and to enjoy the facilities and the great community spirit.

"There are so many facilities and a good local school too. We will all love using the pool this summer and the older kids are already

enjoying the gym and the tennis courts," said Kerrie. The Halls are the second family to move in to the precinct with another 5 families expected to take up residency before Christmas. We wish Kerrie and her family much happiness in their new home.

New security services for Harrington Grove residents

Harrington Grove Security Services specialises in providing residents a professional, single source security service which encompasses a security patrol service operational in Harrington Grove and a dedicated phone number – 1300 978 562 – that connects residents directly to a security officer.

Additional high quality services are also available and these include back to base alarm monitoring. Back to base alarm monitoring provides you with peace of mind, knowing that security is watching over your premises 24 hours a day, 365 Days a year.

A monthly fee of \$15.00 gives you peace of mind while you are away from home.

Tennis & sports fun camps – all round success!

The Tennis & Sports Fun Camps once again have proven to be a great success both with the children and the parents – with a number of children attending the camps that were held both the first and second camp!

Each day was packed with a variety of sporting activities designed to encourage the

children to develop different skills as well as enjoy the opportunity to form new friendships and have plenty of fun.

Feedback from the children and the parents was positive with many looking forward to the summer Tennis & Sports Fun Camp scheduled for later in the year.

Be sure to register early to keep the children active and busy next school holidays as places do fill quickly! For more information, please contact John Thompson on 0410 625 547

John Thompson's tennis students gain USA scholarship

Director of Tennis at the Harrington Grove's Country Club, John Thompson, has recently returned from a trip to the States where he was assisting coach an American college team – Saint Mary's College of California, a division 1 athletic program. The college team consisted of ten male tennis players who played against all other US colleges for the national college tennis title. College tennis is a stepping stone for students who are interested in becoming professional tennis players.

John took two of his talented tennis students (Nathan, 16 and Natasha, 17) with him, with the intent of getting them college scholarships.

Scholarships provide financial assistance with all tennis coaching, racquets, shoes, clothing and travel around the USA.

Nathan was granted a four year scholarship to Saint Mary's College, commencing in 2013 that will provide him with the opportunity to participate in the school's tennis program. Natasha was approached by a number of schools interested in gaining her signature for the 2013 season.

An extremely successful outcome for both students coached by John Thompson.

Harrington Grove's health and fitness services
