Newsletter ∞ Autumn ∞ 2012

Autumn has arrived  
at Harrington Grove

## The first neighbourhood centre – Harrington Green

In addition to the architecturally designed Country Club with its state of the art facilities; a 25m pool and children's splash pool, four rebound tennis courts, a well equipped gym, function rooms and dining facilities, there will be two fabulous neighbourhood centres built at Harrington Grove.

These centres will provide additional sport and recreation facilities for residents and it is envisioned there will be a swimming pool, a hard court, barbecue facilities, picnic grounds, a lounge area and a community room that can be used for events such as children's parties, family get togethers or business meetings.

Harrington Green is to be the first of the two neighbourhood centres and will be situated near the Dianella precinct.

When complete, Harrington Grove will have 1400 homes and the neighbourhood centres will provide residents with additional sport, recreation and picnic facilities to enjoy.

## Fitness stations in the Grove

Fitness stations and playgrounds are a great way to enjoy the outdoors and lead an active and healthy lifestyle. At Harrington Grove, there are a number of children's playgrounds as well as fitness stations that have been designed to provide a good fitness workout for people of any ability or level. These fitness stations are located along the many walking paths throughout Harrington Grove.

Each fitness station has a different range of equipment and is a great way to combine specific exercises with walking or jogging to help create a well-balanced fitness program. Try each station in turn for a complete aerobics workout.

## Just a few homesites left at Harrington Park

There are now only a few homesites remaining from 'Stage 39' in the "Hillside Village" area of Harrington Park, ranging from 1002sqm to 1109sqm and priced at \$300,000. These homesites are amongst the most elevated land released in Harrington Park, offering views beyond the estate and overlooking the surrounding countryside.

For more information please contact Brian or Kerrie at the Land Sales and Information office on (02) 4631 3200.

## Greening the Grove

Turning into Harrington Grove's tree-lined driveway, you immediately notice the magnificent grounds; the work of talented on-site nurseryman, David and maintenance experts, Andrew, Chris and Vince. David manages the estates' on-site tree nursery which turns over approximately 500 trees annually of mostly large, ornamental, deciduous trees such as Maples, Pyrus and Oaks.

David has been involved with the Harrington Park development since its

inception in 1994, having set up the on-site tree nursery in preparation of the landscaping requirements of the estate.

During the development period, David and his team have been responsible for planting all the trees in the streets and parks of Harrington Park and Harrington Grove.

David and the team take pride in their work and their commitment to delivering a high standard of care and maintenance is evident not only at the Country Club but in the

beautiful parks and gardens of Harrington Grove and Harrington Park.

Beginning their day at 7.00am, rain, hail or sunshine, David and the team can be seen carrying out the ongoing maintenance, planting, mulching and mowing of the extensive landscape, so next time you see them, stop and say 'hello'.

## Residents' Rendezvous Evenings

Last Residents' Rendezvous

Last Residents' Rendezvous

The Residents' Rendezvous Cocktail evenings are always well attended and great fun. Held at the Country Club on a Friday night, every second month, these events are a wonderful opportunity for residents to meet their neighbours and make new friends. The next evening will be on Friday, 6th July. Log on to [www.grovelife.com.au](http://www.grovelife.com.au) for more information about the event.

## Get ready to 'Tee off'

The Harrington Grove Social Golf Club was formed in 2011 by some of the residents of Harrington Grove.

The social golf club currently has 26 members and welcomes new players of all playing standards. Social games are being played on a monthly basis with the Country Club being the 'home club house'. The courses have been

booked for 2012 and there are still spaces available for residents who wish to come along and have a game.

For more information please contact the Harrington Grove Country Club on (02) 4631 3200 or visit [www.grovelife.com.au](http://www.grovelife.com.au) for a list of the courses being played during 2012.

## What's on at the Racquet Club?

The Country Club has four rebound ace surface tennis courts available for use seven days a week. There is a great range of tennis services including coaching, social games, cardio tennis and Kidz Club available to Harrington Grove residents and their guests and we encourage you to become part of the Racquet Club.

Membership to the Racquet Club is complimentary and provides the opportunity for residents and their guest to participate in a range of social and competitive events at the Country Club, to take advantage of the many services such as private and group tennis coaching, sports camps for the children during school holidays and Ladies Days for a game with the girls each week.

A program of the extensive tennis services and events for 2012 is available at the Country

Club, so pick up your copy on your next visit or contact the Harrington Grove Country Club on (02) 4631 3200.

A copy of the program is also available on the website at [www.grovelife.com.au](http://www.grovelife.com.au)

## “Sunday Sounds” – a great success

Recently, Harrington Grove residents were treated to an afternoon of musical entertainment in the Country Club’s amphitheatre. Students of Macarthur Anglican School performed a wide selection of contemporary, popular classics and cover songs such as Neil Diamond’s “Medley”, The Beatles, Christina Aguilera, right through to Handel’s, “La Réjouissance” throughout the afternoon.

Residents and guests enjoyed a beautiful day at the Country Club taking in the ‘Sunday Sounds’.

## Bazdaric Homes – a reputation for quality

After 15 years working as a builder for his father’s company, Petar Bazdaric founded Bazdaric Homes in 2002 with his wife Suzana. A local family owned and operated company; Petar and Suzana are both directors and owners of the company. Builders of quality, custom-designed homes to suit each individual client, Bazdaric Homes are renowned for their extremely high level of finishes. The company has

grown rapidly due to the exceptional standard of their workmanship and their ability to meet their clients’ building expectations.

“Our clients are happy that they deal with us directly throughout the entire building process. I think that is very important. We love what we do and I think it helps that we really understand our market, being locals ourselves. We love the high quality of the Harrington

Grove development with their larger well presented lots which suit our designs perfectly,” says Petar.

For more details, contact Bazdaric Homes on (02) 4651 1123.

## Restoration of the Harrington Park Homestead

The restoration and conservation work on the Harrington Park homestead to return it to its former grandeur is progressing, with the recent completion of a new galvanised roof on the main section of the two storey house (circa 1825).

The landscaping of the gardens and grounds to restore them to their original beauty is also underway and it is anticipated that all works will be completed by the end of 2012.

The homestead was purchased by Sir Warwick Fairfax in 1944 and has remained with his wife, Lady Fairfax ever since. Used as a country retreat, Sir Warwick spent much time there with his family relaxing, reading and writing.

The Harrington Park homestead has been listed in the NSW State Heritage Register. The listing recognises the historical value of the property and ensures the preservation for future generations.

[www.grovelife.com.au](http://www.grovelife.com.au) – Log on to stay informed

Discover how easy it is to stay informed about all the great sporting activities and social events at Harrington Grove by logging onto [www.grovelife.com.au](http://www.grovelife.com.au).
