CELEBRATING SPRINGTIME SPLENDOUR

The springtime mantra of new life and fresh beginnings can be seen everywhere throughout Harrington Grove. The array of trees boast new leaves and bright flowers, and with their blooming comes the abundance of wildlife to enjoy it.

The longer days and warmer weather provide the best possible opportunity to hit the pathways, cycleways and fitness stations, putting an end to the winter hibernation once and for all. Reward your exercise efforts with an indulgent meal at Harringtons Bar + Grill, where the exciting spring menu additions contain sumptuous dishes such as Sydney Rock Oysters with watermelon & ginger granita and pickled tomato & basil granita; Crab and Buckwheat Risotto with grain mustard & sage butter; Pan-Roasted Snapper with blood orange & mirin caramel; Salmon Nicoise Salad and Lime Tart with fresh mint.
