

Harrington Grove Life

Harrington Grove is all about lifestyle and community. Residents' cocktail parties, pool-deck dining, tennis and Social Golf are some of the events held throughout the year and are a great way for residents to get to know each other.

A secure and welcoming community, Harrington Grove offers a mix of scenic bushland privacy and social interaction. The 485 hectare site will comprise some 1400 homesites when complete and will contain a 264 hectare natural bushland with beautiful parks connected by more than 7km of scenic walks and cycleways.

The Harrington Grove Country Club is the focal point of the estate and offers great dining facilities for the whole family at our very own Harrington's bar & Grill. There are many

leisure and recreation facilities including four rebound ace surface tennis courts and two swimming pools and a fully equipped gymnasium.

Harrington Grove's on site Gym Instructor Mark Molumby is looking forward to a year of fun and fitness. The first residents' six week Fitness Camp was so well received that Mark is planning to kick off the second Fitness Camp for the residents shortly. "Its great see so many of Harrington Grove's residents enjoying the gym and making the commitment to get fit," says Mark.

There are also two more community facilities planned for the future with additional pools, hard courts and barbecues.
