AUTUMN EDITION 2016

HARRINGTON GROVE

AUTUMN AFFAIRS

Although many of the trees are starting to slow down for the cooler months, the calendar of activity at Harrington Grove has been just as busy as ever.

EASTER EGG HUNT MORNING TEA

This year saw a record 360 residents come along to share in the spirit of Easter. The morning commenced with the children being broken up into age groups to search for their eggs, before a special appearance by the one and only Easter Bunny. Exhausted by their quest for chocolate, the children joined their parents for an indulgent morning tea with a special Easter flavour.

CARING FOR YOUR TREES

The street trees are an important feature of Harrington Grove and provide the beautiful tree-lined streets you see today. Although trees can be very forgiving of any 'green thumb' mistakes, the following tips can help ensure they remain strong and colourful:

WATERING

Give your tree a good soaking at least once a week. Trees require more water than turf, so do not rely on lawn irrigation as it does not provide sufficient water.

FERTILISING

Fertilise your tree once a year with a good organic fertiliser. Spring is always a good time to fertilise.

PRUNING

Pruning your new trees can be done at any time of year. Remove any suckers or bottom growth as they appear. These can take the form of new stem shoots or other species growing in the shade of the tree. These will sap the energy from the main tree and will need to be removed.

MULCHING

Mulch around the base of your tree will help keep the area moist by preventing the soil from drying out.

If you would like more information on your tree, please do not hesitate to contact Dave from Grove Elite Maintenance on 0410 474 060.

SCHOOL HOLIDAY FUN DAY

School holidays are fast becoming a huge attraction on the calendar for the younger residents of Harrington Grove. These holidays were made extra memorable with an Under the Sea theme, which provided opportunities to learn about the mystical land beneath the shore as well as experience it firsthand. Children were drenched with plenty of interesting and funny facts before holding a variety of marine animals; the perfect balance of theoretical and practical learning. They also got their creative minds into gear with an arts & crafts table with a marine theme, along with a variety of games.

CHEESE & WINE NIGHT

The ultimate gourmet delights of adulthood were showcased in the beautiful Winery at the Cheese & Wine Night. Following champagne and canapès on arrival, the wine spotlight was on a range of beautiful pinots. Guests indulged in a buffet of cheeses and antipasto and also enjoyed a variety of dips and breads on their table. The scene was set by musician Luke Dolahenty, who created warm and relaxed tunes to match the atmosphere.

TENNIS & SPORTS CAMP

The Tennis & Sports Camp was the ideal holiday destination for kids with loads of energy and a keen interest in sports. Children enjoyed an array of activities including 'fun' fitness, tennis and various other sports drills. Best of all, it gave the children a chance to meet new friends who live just around the corner.

MICHELIA: THE FINAL COUNTDOWN

Homesites in Michelia combine the best of the bushland and the Harrington Grove lifestyle benefits. A great number of these homesites boast splendid bushland outlooks that create a feeling of serenity and spaciousness. Yet with the Michelia Club just around the corner, the luxury of world class facilities is always just a few moments away.

New homesites are currently available. For more information, view the interactive masterplan online at masterplan.harringtongrove.com.au or call the sales team on (02) 4631 3200.
