SUMMER EDITION 2014

HARRINGTON GROVE

MAGNOLIA IN FULL BLOOM

New land release 1st March

Magnolia has continued to flourish throughout the warmth of summer, leading to the release of new homesites in the southern part of the precinct on 1st March. The new homesites will reflect the same features as the rest of Magnolia – generously-sized, close to amenities such as shops and schools and within walking distance of the Magnolia Club and Harrington Grove Country Club.

Construction of Magnolia Club will be commencing soon, providing residents with a nearby pool, tennis

court, community room and barbecue area upon completion.

Magnolia Club is the first of two neighbourhood centres in Harrington Grove.

Enquire about the new release in person at the sales office at the Harrington Grove Country Club, email info@harringtongrove.com.au or call 4631 3200.

CHR[🎄]ISTMAS IN THE GRO[🎅]VE

Christmas cheer was well and truly alive in Harrington Grove with the sounds of Santa chuckling and children laughing.

The Residents' Christmas Party, held on 14th December, involved an indulgent Christmas lunch with entertainment for the children, including face painting, a giant obstacle course and a special visit from Santa. It was the ideal setting for residents to come together to celebrate the festive season.

On 23rd December the magic of Christmas came to the Grove with a special visit from Santa. He and his helpers handed out lollies right across Harrington Grove and spread Santa's jolly cheer to the sounds of Christmas carols playing. Santa was very flattered that more than 150 residents came out to see him! A sincere thanks goes out to everyone who donated money on the day for the Salvation Army – the generosity of Christmas truly filled the air.

LOVED-UP LOCALS SAY 'I DO' AT THE GROVE

It was with great pride that the team at Harrington Grove hosted the first residents' wedding. Samantha and Daniel, who have lived together in Harrington Grove for two-and-a-half years, held their black-and-white themed reception at the Harrington Grove Country Club on 18th January.

Every wedding is a special occasion, and the joy was definitely multiplied with the celebration of the residents' nuptials. Samantha and Daniel, who have been together for seven years, instantly chose to celebrate their wedding in the Fairfax Room after seeing it set up for another wedding shortly after they got engaged.

They noted the all-inclusive packages at Harrington Grove as one of the key differentiating factors in their decision. "We found that everything was included as part of the package; including a personal decorator which was one of the big differences. Another major incentive with the packages offered at Harrington Grove Country Club are the fresh flowers for your centrepieces – we found that no other venues even offered centrepieces in their packages. Everything turned out better than what we could have ever dreamed of," the couple says.

Their advice to other residents (and non-residents) considering tying the knot at the Harrington Grove Country Club is to take the plunge. "Don't consider it, just book it. All of the function staff at the Harrington Grove Country Club were terrific in assisting with our wedding plans, nothing was ever a big deal and the whole process was so worry-free. It is a five-star venue and you will not be let down with the service you are provided."

All of their planning was done within six months, allowing them to relax in the lead up to what they described as the "best day ever!"
